

Blue Heron Project

The Great Blue Heron is a symbol of the Chesapeake Bay foundation. I see the heron on the ponds and rivers everywhere on Delmarva. Making a wall quilt is creating a piece of art for your home. It is a great way to say "I love the wildlife around me".

Here is a cross breed project from 2 different sewing machine companies. [One link is from Baby Lock. See a great Blue Heron wall quilt idea.](#)]Baby Lock shows you how to put together a great background for the Blue Heron embroidery.

If you do not own a Baby Lock embroidery machine with the Blue Heron embroidery built in, try the Singer free Blue Heron embroidery design. [Here is the link.](#)]

If you would like to try your hand at auto digitizing the heron, I am including a wonderful graphic for you to use. Just [click here](#)] or on the bird to the left to download the clip art
