

The second design is a nursery rhyme. Mary, Mary, quite contrary...! The design was created in the cross stitch option. Cross stitch works great when you want to auto digitize artwork that is complex. The cross stitch embroidery picks up the small details.

The embroidery designs can be done in 2 hoopings. The easiest way to embroider larger designs is using a "hoop it all" or "Fast Frame". The Angel verse uses the quilters square and the nursery rhyme uses the super long well.
