

Video

Instructional video for embroidery software and sewing technique are here for you to use. This is a [link to video Jenny has created on YouTube](#) for the Singer Futura, Singer Studio. serger operation, use of presser feet and sewing applications. We have recently added video on my [Singer PSW playlist](#).

Also available is a link to a Singer instructional video I am sure you will find helpful. Check back from time to time for more insightful video.

[Learn to use your sewing machine!](#)
