

About

Jenny's Sewing Studio offers over 20 different sewing classes in a "one on one" classroom. Beginner Sewers are always welcome and encouraged to continue growing with our classroom instruction. I can offer expert sewing, serger, machine instruction, and quilting classes by enrollment and appointment in Salisbury, MD. Email me at: jenny@jennys-sewing-studio.com with any questions related to sewing instruction. [You can enroll by clicking at this link!](#)

In 1972 I graduated from Radford University with a BS degree in Fashion Merchandising. That June I started working with Singer Co as an educator, trainer, merchandiser and later as a store manager. My background includes sewing machine sales and fabric sales. I owned and operated my own business as a brick and mortar store from 1982 till 2008. Jenny's Sewing Studio first appeared on the internet in 1995 and still offers sewing products and instruction at www.jennys-sewing-studio.com (picture shows our opening newspaper photo from 1982)
