]

Continue Sewing!! Get help making more sewn items after you learn to sew. Make a shirt, make a pillow, make a dress, jacket or purse. Get help with collars, cuffs, buttonholes, setting in sleeves, sewing facings, waistbands, interfacing, fitting and more.

If you are OK on fit, cut out the garment before class to get the maximum from the session. Sign up for one or more 3 hour sessions from 1:30 to 4:30pm. Your project may take several sessions to complete. I will email you confirmation once you enroll and schedule a day you can attend. Fee is \$50.00 for a 3 hour session.
