

New sewing projects

There are several new sewing projects posted on Sew4Fun.com. I really liked the neck pillow and the Christmas in July star ornament. I have [posted links to them on my project page](#). [Look toward the bottom of the list for the neck pillow link](#). I am definitely making these as Christmas gifts. First I am making one for me.

I recently [posted pictures from past Summer and family vacations](#) at my Gallery page. The good, bad and the ugly is all there. See pictures of me at the beach as a little girl with my brother and mom. Look, I was topless. I think my dad was taking the picture. Those were the days. Everyone who grew up on Delmarva enjoyed fun in the sun. Now we have so many tourist I wait till the Fall or Spring to dip my toes. Hope you are having a great Summer.
