

## Sewing a new Purse is made easier

has added some new items from Nancy's Notion's Collins line of item's for making fabulous purses! Now you can make the handle stiffer, make the bag have more body, and add a great look to the strap with "O" rings and "D" rings. You also can add a quick closure with magnetic snaps! The new purse templates make purse construction a real snap. Nancy has designed 2 new purses with a template kit and instructions. Just trace the templates using a washable marker or chalk and cut on the line. Instructions are in 3 languages: French, Spanish and English
