

Sewing Machine Applique

Learn to applique] using satin and decorative stitches. The twin needle will be introduced to the applique for more decorative choices.

Decorate your applique fabric first by using decorative stitches. We will use the open toe foot.

A small kit of stabilizer and fusible web and base fabric will be included with the class. An open toe foot and a twin needle will be used in class and you can purchase the foot later if you wish. We will applique a heart you can make into a small pillow. You will practice satin zigzag stitch and blanket stitch if it is included in the stitches on your machine.

] You can supply your machine or use mine. Please tell me make and model in comment of order if y

ou bring your own machine.

This is a "one on one" class so email me at jenny@jennys-sewing-studio for desired days and I will either call or email to confirm. Class is held most days from 1:30 to 3:30pm by appointment.
