

## Singer Futura seminar

### **Basic Singer Futura software and embroidery session is now one day!**

**I have designed the new Futura session** as a one on one class and [class enrollment will be through Jenny's Sewing Studio by appointment only.](#) ]You can email me at [jenny@jennys-sewing-studio.com](mailto:jenny@jennys-sewing-studio.com) for enrollment details.

Class will cover stabilizer, hooping and thread information, creating files, copy and paste, and saving designs for embroidery. Use the design browser, learn the draw program, use auto punch, and cover the lettering features. You will also cover how to position embroidery for one or more designs.

Class will be scheduled 10:00 am till 4:30 pm with one hour scheduled for lunch break. The cost is \$99.00 for a one day session. Materials provided include stabilizer, bobbin thread, needles, and project materials. I will also make basics sewing supplies available like scissors, markers and pins so you do not have to bring them.

**If you need a machine, I have a Futura Quintet and laptop that I will provide for you to use.** All the technique and software is the same on all Futura's so supplying the machine will make the class easier for both of us. Please bring a thumb drive so files can be copied to the drive.

**If you want to bring your machine and laptop just let me know.** Laptop and machine are married so you will need to bring both if you would rather use your equipment.

**If you have taken a Futura class from me in the past and wish more instruction,** contact me: [jenny@jennys-sewing-studio.com](mailto:jenny@jennys-sewing-studio.com) and we will discuss how many hours and what you wish to review.

**Please email me at [jenny@jennys-sewing-studio.com](mailto:jenny@jennys-sewing-studio.com)** with your Futura class request. Leave me your full name, class you wish to take and your phone number, best time to call and email address. I would also like to know the Futura model you own and the operating system of your computer. You also can leave a message at 410-543 1212. When leaving a message speak slowly and clearly. I will only return your call if I understand the message. We will then talk and agree on an enrollment date and time. Policy are below. Please read.
